

March 2010 Bible Distribution: Tears and Answered Prayer!

Hello and greetings to you all! What a wonderful Bible Distribution trip we just finished in Lankao County of Henan province! Let us take you through a picture tour of this blessed event!

Our March 2010 Bible Distribution event was significant for a number of reasons: First, it's our first Bible Distribution event done in cooperation with Voice of China and Asia, which is another ministry that has a deep heart for rural Bible Distribution.

Secondly, we had the opportunity to distribute Bibles in one of the poorest counties in all of Henan province: Lan Kao County. The extra desperation for the Bible was palatable and the joy on the faces of those receiving Bibles told us they were so thrilled to receive a Bible of their own.

All told, we visited 9 Bible Distribution sites over the course of 2 days and were able to distribute 9000 Bibles! The rural Christians in these areas who needed Bibles were so thrilled to receive Bibles. As we interviewed some of the Christians, stories of their long wait for Bibles, intermingled with tears as they shared how touched they were that we could come from so far away with such a precious gift!

All told, we visited 9 Bible Distribution sites over the

The sweetest story of the event was definitely one man, Brother Gao, who openly wept as we handed him a Bible. Since he was so touched, we knew that he had something special to share. As local believers were cooking lunch for us and many others, he explained through tears, "For three years I have been asking the Lord, if there is some way to receive my own Bible, I would be so happy." Well, March 6th, 2010 was the day the Lord answered his prayers. Thanks to you and to the many who partner with us to impact China for Christ, we're able to answer the prayers of rural Christians who clamor for God's word!

We'd love to do more Bible Distribution May 1-2! Would you help us?

As you can see from this picture, Amity Printing press is keeping boxes upon boxes of Bibles in their warehouse, all of them ready to ship out for us to distribute to these Chinese Christians who are desperately crying out to God for a Bible of their own. We have an opportunity to return to Henan province in early May to continue the blessing of rural Bible Distribution? **Would you prayerfully consider a special financial contribution to help us with this project?** The Bibles are available for \$3.00 each.... A \$100 contribution buys 33 Bibles! Place your contribution in the enclosed envelope or go to our website at www.ChinaResourceCenter.org to electronically contribute! Thanks!
